

New Versa Collection Coleus
Vigorous, well-branched plants show off multi-patterned foliage. It's the center of attention all season, thanks to the very lateflowering habit.

Not only does Versa perform beautifully in sun or shade gardens, but it is exceptionally versatile in production, too. The Versa collection is wellsuited to standard and premium packs, 5-in. (13-cm) pots, and gallons with 3 plants per pot.

COLEUS
C. x hybridus/Solenostemon scutellarioides

## New Versa Collection

Height: Varies by variety
Spread: 18 to 22 in. ( 45 to 55 cm )
